

SHARE YOUR VISION FOR A BRIGHTER WORLD

SAMSUNG
SOLVE
FOR TOMORROW

[APPLY NOW >>](#)

Welcome to the first ever UAE edition of **Samsung Solve for Tomorrow**.

What is SFT?

Samsung Solve For Tomorrow is a contest designed to boost interest and proficiency in Science, Technology, Engineering and MATH (STEM), and challenges school teachers and students in grades 6-12 to show how STEM can be applied to help improve their local community.

After a successful decade of applying the program in the US, we are now bringing it to the UAE to help students discover the difference STEM learning can make in their lives and empower them to build a better tomorrow!

How can you enter?

01

Make a team of 3 to 5 students led by a teacher

02

Identify a community challenge or social issue

03

Submit a detailed proposal on how you will use STEM to address the challenge

04

Wait for your ideas to be shortlisted.

Entries opened from **24th November till 12th December** and the shortlisted teams will be notified by 17th December.

How will we judge you?

There are various criteria that we will look into:

- Identifying relevant social issues
- Application of STEM
- Creativity & originality
- Resonance & social impact
- Feasibility

Come up with unique and creative solutions, and your ideas will be rewarded. So, come on, uncover your potential, and let us innovate together.

We can't wait to see your ideas! 😊
